## CONTENTS

<b>Developing Knowledge in Mathematics by Generalising and Abstracting ... Frode Rønning</b>	<b>109</b>
<b>On Compact Topological Spaces ... V. Sankar Raj and P. Veeramani</b>	<b>118</b>
<b>What is a Good Quadratic Form in Characteristic Two? ... T. E. Venkata Balaji</b>	<b>125</b>
<b>RMS Pre-Conference Workshop on Harmonic Analysis</b>	<b>131</b>
<b>23rd Annual Conference of Ramanujan Mathematical Society</b>	<b>132</b>
<b>Spring School in Harmonic Analysis and PDE 2008</b>	<b>132</b>
<b>Advanced Training in Mathematics Schools</b>	<b>133</b>
<b>Instructional Workshop on Differential Geometry</b>	<b>134</b>
<b>International Workshop and Conference on Surface Mapping Class Groups and Related Topics</b>	<b>134</b>
<b>Advanced Training in Mathematics Schools</b>	<b>135</b>
<b>Analysis, PDES and Applications</b>	<b>136</b>
<b>International Conference on Nonlinear Dynamical Systems and Turbulence</b>	<b>136</b>
<b>Function Spaces, Differential Operators and Nonlinear Analysis</b>	<b>137</b>
<b>Geometry and Analysis</b>	<b>137</b>
<b>International Conference of Numerical Analysis and Applied Mathematics (ICNAAM 2008)</b>	<b>137</b>
<b>International Conference on Applied Mathematics and Approximation Theory</b>	<b>138</b>
<b>Fractional Differentiation and Its Applications</b>	<b>138</b>
<b>International Conference on Graph Theory and It's Applications</b>	<b>139</b>
<b>INFOSYS Prize for Mathematics</b>	<b>140</b>
<b>International Congress of Mathematicians, 2010 (ICM 2010)</b>	<b>140</b>
<b>Chennai Mathematical Institute</b>	<b>141</b>
<b>Thanks to the Family of Late Professor. S. K. Lakshman Rao</b>	<b>142</b>
<b>Thompson and Tits Win 2008 Abel Prize</b>	<b>142</b>
